TASTING NOTES

A 6 bottle selection featuring Alsace wines from producer Joseph Cattin.

This case includes:

1 x Joseph Cattin Alsace - Pinot Blanc Pinot Blanc is certainly the best all-rounder wine from the Alsace range. This wine presents with a pale lemon dress, a nose of crisp green apples, with an undertone of floral sweet white blossom. A long, refreshing finish that can be enjoyed on its own or making the perfect accompaniment.

1 x Joseph Cattin Alsace - Pinot Gris A well rounded, medium bodied wine, off-dry Pinot Gris, giving a fruity nose with apricot and a hint of honey. Balanced between spiciness and a light touch of fruitiness on the palate, with a fresh finish. This is a succulent wine which will pair well with white meat, poultry, Foie Gras or mushrooms.

1 x Joseph Cattin Alsace - Gewürztraminer Flavourful with rich aromas and distinctive notes of ripe tropical fruits, this wine can be enjoyed alone or paired with spicy and exotic cuisine, strong cheeses or desserts.

1 x Joseph Cattin Alsace - Pinot Noir A superb value Pinot Noir without losing the quality. This light red wine has a nose of red fruits, strawberry and cherry with a floral balance. A light, clean, smooth taste and very pleasant on the palate. Pairs best with light dishes.

1 x Joseph Cattin Alsace - Pinot Gris 'Orange Cattin' An orange colour, as a result of its unique maceration. Nose of peach, little berries, and then grapefruit. Body and citrus on the palate, rounded texture and long finish. Succulent.

1 x Joseph Cattin Alsace - Riesling Bright and pale yellow with green highlights. A mineral nose with citrus and flowers. On the palate, fresh, dry and mineral, with pineapple notes.
