BURGUNDY

COTE DE NUITS: MEIX DE LA POULOTTE VOSNE-ROMANEE RED

Meix de la Poulotte

TASTING NOTES

A 'feminine' wine, but retains its character while combining finesse and power. Endowed with a good capacity for ageing, it also reveals its elegance in its youth.

MEIX DE LA POULOTTE

The estate was created in 1999 from the family estate, enriched with several plots that they were able to develop over the Vintages. Proud to work the land, he is not afraid to present himself as a 'peasant who scratches the globe'! Ghislain's goal is to perpetuate this domain and later pass it on to his son, who is currently studying in the world of wine.
