Pierre Hourlier Wines

### TASTING NOTES

A 6 bottle selection of indulgent Champagne from our producer Casters Liébart.

1 x Casters Liébart Champagne 'Cécile' The bottle with its generous curves is a tribute to women in all their splendour, and the wine expresses the typicity of a “Blanc de Noirs”. Its low dose of sugar allows you to enjoy the subtle nose combining fruity and floral notes with an undertone of brioche and hints of sweet spice and undergrowth. Intense and lively, harmonious and generous.

1 x Casters Liébart Champagne 'Rene Marcel Rosé' This Prestige bottle reveals extraordinary finesse and elegance. It enhances the superb notes of marmalade, dried flowers and roast almond as well as subtle notes of berries from our Coteaux Champenois red wines.

1 x Casters Liébart Champagne 'Rene Marcel' This “Tête de Cuvée” tribute champagne offers delicacy in the nose and elegance, rapidly revealing superb hints of marmalade, dried flowers and roasted almonds, and concluding beautifully with a touch of cinnamon. The body is intense and the taste leaves a sense of fullness and a creamy aftertaste.

1 x Casters Liébart Champagne 'Vincent' A delicious and creamy champagne, with aromas of clementine zest, salty note, and exotic fruits.

1 x Casters Liébart Champagne 'Selection et 3 Cepages' A blend of Chardonnay, Pinot Noir and Pinot Meunier. Perfect balance between fruit and acidity. A champagne for all occasions and our most popular value for money wine over the last 30 years. A recommendation on its own.

1 x Casters Liébart Champagne 'Rosé' This subtle blend of the three Champagne varieties from the slopes of Damery reveals a fruity nose expressing notes of berries and hints of redcurrant and oranges.
