CHATEAU LA COURONNE

Château La Couronne is a family-owned estate located in the Montagne-Saint-Émilion appellation, just northeast of Saint-Émilion in Bordeaux. In 1994, at the age of 27, former wine merchant Thomas Thiou acquired this small property situated on one of the finest terroirs in the region.

The vineyard spans approximately 11 hectares, predominantly planted with Merlot, complemented by Cabernet Franc and Cabernet Sauvignon.
