MOULIN DE L'HORIZON

Winegrowers since 2002 -The Des Grousilliers perpetuate the tradition of the estate: making Saumur wines to the best of what their terroirs can give them.

The estate is ideally located in the middle of the Loire Valley, with the hill of the Moulin de l'Horizon, the highest point of Saumurois at 110m above sea level protecting the vineyard from the westerly winds. This hill and its hillsides also offer a multitude of microclimates, which also contributes to the production.
