6 BOTTLE MIXED CASE: A TRIP DOWN THE RHONE

Pierre Hourlier Wines

TASTING NOTES

A 6 bottle selection featuring a variety of wines from the vineyards of Rhone.

This case includes:

1 x Domaine La Perdriere Sablet 'La Pause' Good nose, a taste of ripe and delicious black fruit with a hint of pepper. A charming combination of aromas, with a palate all in finesse and freshness.

1 x Domaine des Amadieu Cotes du Rhone Villages Warm and not heavy with red fruit flavours. The nose is lightly fruity, opening on fragrant spicy notes. Generous on the palate, it lingers for a very long time. This wine is made in small quantity with a yearly production of only 9000 bottles.

1 x Domaine Raspail-Ay Gigondas Made from a majority of Grenache, this most impressive wine is powerful and truly mouth watering. Red fruit notes with a long palate and lingering mature tannins. An absolute must for Rhone wine experts, from a true flagship wine grower.

1 x Domaine Vintur Ventoux 'Tradition' A wine of finesse and power, giving harmonious expression to our sense of the Ventoux terroir. An aromatic intensity giving notes of white flowers and nuts. Fresh and mineral on the palate. The Grenache and Roussanne provide roundness and mouthfeel, while the acidity perfectly balances the richness. Mineral and long with a crisp and savoury finish.

1 x Jeanne Gaillard Collines Rhodaniennes 'Roussanne' Ample and well-ripened. It comes from vines planted on granite soils from the extremity of the Massif Central, north of the Rhone Valley.

1 x Domaine d'Aloes Vin de France 'Chardonnay' Brilliant colour with green reflections. Fresh, fruity nose with floral aromas (acacia, white-fleshed fruit flowers) and mineral notes (menthol). On the palate, suave tannins and a beautiful aromatic persistence lengthens the finish.
