CHATEAU LA BORNE

Owned by the Cardarelli family since 1949. The Cardarelli brothers, 3rd generation, have never stopped, like their parents and grandparents, developing and modernizing, in order to improve the quality of the wines. Today they still continue in this approach, but we place as much importance on the ecological and respectful aspect of production to achieve the High Environmental Value (HVE) standard. The Cardarelli vineyards' motto: "Produce well, good, and in respect with nature".
