LANGUEDOC-ROUSSILLON

CABARDES: CHATEAU LALANDE RED

Chateau Lalande

TASTING NOTES

Concentrated in the mouth, showing a good balance between blackcurrant fruits and length, blended between Mediterranean and Atlantic grapes. The smoky character is evident on the palate, firmly grounded by fine tannins and notes of undergrowth and bay leaf. The balance of alcohol and freshness carries the flavours through to an elegant finish.

WITH FOOD

Beef, Cheese

VINTAGE	2019

BOTTLE	75cl
VOLUME	13.0%

CHATEAU LALANDE

This Chateau is located in Cite de Carcassonne, along the Canal Du Midi in Languedoc. Dating back to the 19th century, this vineyard originally was 2000 hectares, but got divided into lots after the revolution. Pierre Degroote and Bernard Montariol purchased this property in 1996.

The vineyard spans across approximately 215 hectares, with over 20 year old vines, with a great diversity in their soil. This vineyard is made up of a cave with a steel winery, which is used to store and age their wines, as well as allow the production of both red and white wines.
