DOMAINE BARON DE L'ECLUSE

Located in the heart of the Pays des Brouilly, renowned for the quality of its vineyards, two farms have joined forces to present a complete range of Beaujolais wines; Jean-François Pegaz, who became the owner of Domaine Baron de l'Ecluse (previously belonging to his Aunt Chantal), located in Odenas, and Anthelme and Agnès Pegaz, from the Domaine des Gaillards, located in Charentay.

Jean-François, 5th generation, has since 2019, and the retirement of his parents, the pleasure of taking up the torch and thus managing the two farms.
