DOMAINE CROZE GRANIER

A family estate located in the Gard region and which has been producing Châteauneuf-du-Pape, Lirac and Cotes du Rhône over 15 hectares since 1895. Taken on by Laurent Cortinas in 2000, Domaine Croze-Granier successfully earnt the BIO organic certification in 2012, by respect of the terroir.

The winery is also located in a remarkable place in the village of Roquemaure, with the stone building is built against a cliff called L'Escatillon. This rock gives their cellar great thermal inertia and provides a unique natural freshness during vinification and allows optimal conservation of the wine all year round.
