BOTTLE	75cl
VOLUME	13.0%

DOMAINE DE SAINTE ANNE

Family-owned vineyard for 6 generations, the Domaine de Sainte Anne is characterized by a very special geological situation.

At Saint-Saturnin, in the Loire Valley, in the heart of Aubance, it stands at the border of the Paris basin in the east, and the Armorican Massif in the west, giving as uniqueness as richness to its soils. The soils of the 66 hectares of vineyard are predominantly composed of clay and limestone.
