

BEAUJOLAIS

FLEURIE: DOMAINE DU NIAGARA

Domaine de la Madone

TASTING NOTES

Fruity and round, this full-bodied Fleurie reveals intense aromas of red fruit, wild blackberries and spices.

Located at the summit of the Fleurie appellation, this south-east-facing eastate is very sunny. It has borne its name since 1912 from an electrical pylon that was erected to protect the vineyard from hail. The builders of this pylon named it Niagara, as it was so grand.
