DOMAINE ROUMAGNAC

Domaine Roumagnac is situated on the wine route in the village of Villematier in the Haute-Garonne region. Heirs to ancestral knowledge that has been passed down for 4 generations, Jean-Paul and Nicolas Roumagnac produce wines with true character.

With a permanent aspiration to respect the land and the vines, the uncle and his nephew, united, are willing to defend the ideals of the estate and restore its glory. The main grape varietal used is Négrette, a world exclusive! It composes 50% of their blends and 7 ha (17 acres) of plots.
